Worship Service from 6:00am to 6:20am - ALL are Welcome

This year our church is hosting a very large group of runners from NorthRidge Church. Therefore, the only accessible area will be the sanctuary. Join us as a Greeter from 7:00am to 11:00am to share your love of Fort Street with the public. Limited parking will be available next to the church if you arrive before 5:00am. Otherwise, you can park nearby and walk to the church. My personal favorite suggestion is to park near Greektown and take the People Mover to the church.

Sorting Donated Clothes
