From The Pastors' Desk

March 2018

A lot happens at Fort Street every month. To keep everyone in the church aware of all the upcoming events, we are starting a new email list for you to know about what's coming up during the next month at Fort Street.

In these messages, we will highlight important activities taking place. We will also use this space to talk about some of the work we are doing as your Interim Co-Pastors, helping the congregation discern what new sense of purpose God is preparing for Fort Street. We will keep you informed, so you know how our work is progressing and to give you ways that you can be involved. The more input you have, the better the call process will go in selecting the right pastor to lead Fort Street toward a new and exciting future.

This newsletter will be e-mailed out to the church's email list prior to a new month. Several printed copies of this announcement will also be printed and available in the narthex during each worship service. You'll note the [calendar](#) for the month ahead is on the back.

Pastors Anne and Eric

P.S. We held our Congregational Meeting on Sunday, February 25th. If you would like to receive the church's *Annual Report*, please contact Lola at the church office at (313) 961-4533.
