The Fort Street Self Study Task Force is hoping for your input as we think about Fort Street's history and our future direction as a church!

Two sessions were held last weekend, and two more are planned for this Saturday.

They are taking place at the times and locations below:

- Saturday, July 28, 10:00am - Sharrows (Grosse Pointe Park)
- Saturday, July 28, 7:00pm - Jacksons (Allen Park)

Please RSVP so our hosts can know how many to expect.

## CAT Survey Now Online

The next part of the Self Study work is to submit an online survey, the CAT (or Congregation Assessment Tool). You can take the survey by following the link below.

The survey allows you to give input about your experiences in and help set priorities for our church.

Please do not discuss the survey or your answers with others as this may influence their answers. All answers are strictly anonymous. We have no way of matching any assessment to a particular person, so please feel free to candidly share your perceptions, opinions and experiences.

The survey could take 20-30 minutes to complete, so plan accordingly!

Paper copies will be available at the church for those individuals who cannot submit the form online. If you have questions, please contact Eric Lange

Please complete the survey before August 1, but it is easiest if you complete it as soon as possible!
