## From the Pastor's Desk....

The Self Study process is continuing at Fort Street. Through conversations, meetings in homes and at the church, and post-it notes on big paper in the Great Hall, the Fort Street Self Study Task Force is hoping for your input as we think about Fort Street's history and our future direction as a church!

There is one new activity for the next month: in a moment of inspiration, Pastor Anne put up a "Dream board" in the Great Hall. There, you can put up a note about your dreams for Fort Street in a variety of areas - worship life, outreach, and others. Stop by and share what dreams you have for the community!

There are more ways to be involved:

Also, the Self Study team is completing its reports by submitting information via the Congregational Assessment Tool (CAT)

Survey. It can be submitted online by going to <http://www.surveymonkey.com/r/fortstreet>. It takes about 30 minutes to complete.

If you would prefer a paper version, contact the church office or pick up a copy in worship. There is a "Cat Box" where surveys can be dropped off, or you can pick up a pre-stamped envelope and drop it in the mail when completed.

The original deadline - August 1st - is being pushed back to make sure that everyone who is able to participate has enough time to do so. Surveys will be received through early September.

More meetings, more reports, and more work to come soon!
